Phone Number: *

Mobile Number: *

Email Address: *

1.0 Project Overview

* indicates a required field

1.1 Background

Project Title: *

Why is this project required?

1.2 Location

Attach an aerial image of the boat ramp location: *

Attach a file:

List other boating facilities that are within a radius of 50km from this proposal: *

The above information can be obtained from http://www.dit.sa.gov.au/_data/assets/pdf_file/0009/327960/SABFSP_Appendix_A_And_E_Maps.pdf

Provide the distance (kms) via road to the nearest boating facility: *

Provide the distance (kms) via water to the nearest boating facility: *

1.3 Land Tenure

Stage 2 Funding Application

Form Preview

Does this proposal rest on a non-identifiable parcel of land (public land or other tenure)? *

☐ Yes

☐ No

How many different parcels of land does this proposal rest upon? *

For each parcel of land please provide the following and upload a copy of each title:

CT (Certificate of Title), **CL** (Crown Lease), **CR** (Crown Record) or **LT** (Limited Title)

Title Prefix	Title Volume	Title Folio	New Question
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

2.0 Strategic Alignment

* indicates a required field

2.1 Strategic Objectives

Tick the relevant objective/s that are applicable *

- ☐ Growth and job creation
- ☐ Enhanced liveability and connectivity between people and places, business and markets
- ☐ Community-focused and customer focused services
- ☐ Maximised use and return on infrastructure
- ☐ Optimised, safe and effective operations and workforce

2.2 Council's Strategic Plan

Outline how this project links to Council's Strategic Plan and other key documents

*

2.3 South Australian Boating Facilities Strategic Plan

Outline how this project links to the South Australian Boating Facilities Strategic Plan [SA Boating Facilities Strategic Plan.pdf \(dit.sa.gov.au\)](#) as follows:

Activating Key Boating Hubs: Please see page 16 of the SA Boating Facilities Strategic Plan (linked above). *

Stage 2 Funding Application

Form Preview

Connecting Key Boating Routes: Please see page 17 of the SA Boating Facilities Strategic Plan (linked above). *

Improving Safety Outcomes: Please see page 17 of the SA Boating Facilities Strategic Plan (linked above). *

List the Level of Service and Boat Ramp Classification *

- ☐ 1 - Beach launch and retrieval
- ☐ 2A - Marine - Ramp launch and retrieval
- ☐ 2B - Inland Waters - Ramp launch and retrieval
- ☐ 3A - Marine - Ramp launch and retrieval
- ☐ 3B - Inland Waters - Ramp launch and retrieval
- ☐ 4 - Ramp launch and retrieval
- ☐ 5 - Ramp launch and retrieval

3.0 Economic Benefits and Asset Sustainability

* indicates a required field

3.1 Economic Benefits

List proposed economic (tourism and employment) benefits to the community: *

3.2 Asset Sustainability

Provide evidence of support from the Community and Local Businesses for this project: *

Provide current launchings per annum: *

Provide the expected launchings per annum once the works are completed: *

Outline how the current and expected launchings were calculated:

Stage 2 Funding Application

Provide a copy of the Coastal Protection Board advice:

Attach a file:

4.0 Risks

* indicates a required field

Identify the project risks and mitigation measures: *

5.0 Investigations and Approvals

List any proposed investigations and development approval, that is likely to be required, has been undertaken or is work in progress:

6.0 Project Details

* indicates a required field

6.1 Project Overview

Detail the proposed scope of works: *

Attach a Concept and/or Detailed Drawings: *

Attach a file:

Will this facility be available for public use? *

☐ Yes ☐ No

6.2 Project Type

Tick which one of the following best describes the project type:

☐ Rationalise existing facility (or facilities in the area)

Stage 2 Funding Application

Form Preview

- ☐ Maintain the existing facility
- ☐ Upgrade the existing facility
- ☐ Construct new facility

6.3 Estimated Project Costs (exc GST)

Planning Study / Business Case: *

To include planning and approvals, design, design verification

Design: *

Must be a number.

Construction: *

Must be a number.

Project and Contract Management: *

Must be a number.

Contingency: *

Project Total (exc GST): *

Sum of the planning/business case, design, construction, project and contract management and contingency costs.

6.4 Funding

What is the proposed contribution you are requesting from the Facilities Fund? *

Must be a number.

Percentage % *

This number/amount is calculated.

Where are the remaining funds being sourced from for this project? *

6.5 Schedule

Stage 2 Funding Application

Form Preview

Outline the proposed project timeline, including both the design and construction stages, and highlighting key activities *

7.0 Procurement, Ownership and Maintenance

*** indicates a required field**

7.1 Procurement Model

Outline how the project will be delivered, for example design by consultants, construction by council, project and construction management by suitably qualified companies: *

7.2 Design Verification

List proposed design consultant that may be used to verify the design: *

[SABFAC Specification for Independent Design Certification](#)

7.3 Construction Verification

List proposed construction verifier that may be used for construction verification: *

[SABFAC Specification for Construction Verification](#)

7.4 Ownership and Maintenance

Confirm commitment from the Council/Statutory body that they will maintain and operate the upgraded facility in perpetuity, including whole of life remedial measures required to address coastal impacts caused by the proposed facility: *

Stage 2 Funding Application

Form Preview

Outline likely annual maintenance activities and costs, including potential remediation measures such as dredging, sand and seagrass wrack management (e.g. sand bypass) and/or erosion control, for the life of the proposed facility:

Outline the asset management strategy, maintenance strategy and maintenance program of the improved/new asset: *

8.0 Appendices

Supporting material will need to be included in your application. Examples may include but are not limited to:

- **Community support letters**
- **photos**
- **detailed estimates**
- **approvals**
- **Council's Strategic and Maintenance Plans**
- **investigations**
- **Risk Management Plans**
